PROFESSIONAL SUMMARY

Web Developer specializing in PHP, Laravel, Node.js, Express.js, React.js, Next.js, JavaScript, MySQL, and MongoDB with experience building scalable web applications, RESTful APIs, CRM systems, SaaS platforms, and e-commerce solutions. Skilled in third-party API integration, database optimization, cloud deployment, and developing secure, high-performance applications.

EXPERIENCE

Web Developer, Instiqa — Nov 2023 – Aug 2026, Chennai

- Engineered responsive web applications using **PHP, Laravel, React.js, Next.js, JavaScript, MySQL**.
- Architected and maintained secure **RESTful APIs** for web and mobile applications.
- Integrated **Stripe, Sage, and JobNimbus APIs** to automate business workflows and payment processing.
- Optimized SQL queries, backend logic, and application performance.
- Collaborated with cross-functional teams using **Git/GitHub** in Agile development environments.

Web Developer Intern, Proz Solutions — Aug 2022 – Apr 2023, Namakkal

- Built CRUD-based web applications using **Core PHP, Lumen, Laravel, MySQL, HTML, CSS, JavaScript**.
- Delivered secure RESTful APIs for frontend and mobile integration.
- Optimized SQL queries to improve database performance.

TECHNICAL SKILLS

- **Languages:** PHP | JavaScript | SQL | HTML5 | CSS3 | Node.js
- **Frameworks & Libraries:** Laravel | Lumen | React.js | Next.js | Express.js
- **Databases:** MySQL | MongoDB
- **Tools & Platforms:** Git | Github | Postman | Linux | Nginx
- **Servers:** DigitalOcean | SiteGround | cPanel | Hostinger

PROJECTS

E-commerce & Appointment Booking Platform

Technologies: PHP, Laravel, MySQL, Stripe, RESTful APIs

- Created an e-commerce platform and mobile backend with secure Stripe payment integration.
- Designed RESTful APIs for authentication, appointment booking, credit purchases, and user management.
- Expanded an admin dashboard for managing customers, appointments, orders, credits, and reports.

CRM & Workforce Management System

Technologies: PHP, Laravel, MySQL, RESTful APIs, Sage API

- Built a CRM platform for employee, attendance, leave, and document management.
- Established RESTful APIs and integrated the Sage API for invoicing.
- Added modules for asset tracking, fleet management, job sheets, and reporting.

Sports Sponsorship Platform

Technologies: PHP, Laravel, MySQL, Stripe

- Created a sports sponsorship platform connecting athletes, clubs, and sponsors.
- Integrated Stripe Payment Gateway for secure sponsorship payments.
- Built an admin panel to manage sponsorships, clubs, and platform activities.

SaaS Sports Club Management Platform

Technologies: PHP, Laravel, MySQL, RESTful APIs

- Engineered backend services and RESTful APIs for a SaaS sports club management platform.
- Introduced modules for students, coaches, events, rewards, and notifications.
- Crafted administrative features for club and platform management.

Real Estate Platform

Technologies: PHP, Laravel, MySQL, RESTful APIs

- Enhanced backend services and RESTful APIs for a real estate platform.
- Built an admin dashboard for property and user management.
- Implemented property listing and search functionality.

Business Website & Product Management Platform

Technologies: PHP, Laravel, MySQL, JavaScript

- Delivered a Laravel-based business website with dynamic landing pages and product catalog functionality.
- Configured an administrative dashboard for managing products, categories, banners, and website content.
- Streamlined dynamic product pages using MySQL-backed content management, simplifying content updates and maintenance.

Headless CMS Platform

Technologies: WordPress, Next.js, GraphQL

- Integrated a WordPress backend with a Next.js frontend using GraphQL.
- Improved website performance, SEO, and content management.

REST API System

Technologies: React.js, Node.js, Express.js, MongoDB, Mongoose

- Built a RESTful backend using Node.js, Express.js, and MongoDB Atlas.
- Developed CRUD APIs with validation, logging, and error handling.
- Followed the Controller–Service–Repository architecture and integrated with a React frontend.

EDUCATION

M.Sc - Computer Science, Arignar Anna Govt Arts College — Jun 2021 – Apr 2023, Namakkal

BCA, Srimad Andavan Arts & Science College — Jun 2018 – Apr 2021, Trichy
